Real Estate Law and Valuation Certificate

The 9-credit Graduate Certificate in Real Estate Law and Valuation is designed for working professionals who want to gain the knowledge and skills needed to create contractual agreements, analyze legal agreements, and understand real property as it relates to commercial real estate.

This program is appropriate for people working in or wanting to enter the following professions: financial managers, accountants, accounting or real estate consultants, real estate property managers, real estate attorneys, estate planners and attorneys, brokers, real estate developers, commercial real estate agents, and lending professionals.

Online Learning through Penn State World Campus

To help you balance your commitments to family, career, and studies, the Graduate Certificate in Real Estate Law and Valuation is offered in collaboration with the Penn State Smeal College of Business and delivered online through Penn State World Campus. Your learning experience will be enhanced by frequent faculty interaction, collaborative group projects, access to instructional resources, and dedicated academic advising and support services. You can complete weekly assignments at the time that best fits your schedule. Upon successful completion of the program requirements, you will receive a formal certificate identical to those received by resident Penn State students.

Curriculum and Learning Outcomes

This 4-course graduate-level program has been designed to give you entry into the commercial real estate market. Courses include:

Real Estate Institutions and Market Analysis

Provides an overview of real estate evaluation as well as risk analysis and management

Real Estate Negotiations

Learn techniques and strategies to create viable commercial real estate transactions

Real Estate Law

Analyze laws applicable to ownership interests and rights and the use of real property

Real Estate and Business Valuation

Apply economic theory to real estate valuation to make sound business decisions
